

Come see the many new cultivars planted in anticipation of the American Hemerocallis meeting the Tidewater Daylily Society is hosting in June of 2017. We now have more than 1500 varieties in our garden. This year we will update our labels and install new garden paths. Rich has officially retired after 30 years as a Director of Social Services so more of his time will be in the garden! Some of our plants are in short supply so please contact us regarding availability before finalizing your order.

We continue to welcome visitors to our official American Hemerocallis Display Garden. We will be open **Friday – Saturday from June 13 through July 11 from 9:00 AM to 4:00 PM and Thursday, July 2 through Sunday, July 5.** To visit at other times, please make an appointment! To visit our garden on Virginia's Eastern Shore on the Delmarva Peninsula, either travel north from Virginia Beach or south from Salisbury, Maryland on RT 13 to Exmore, VA, turn north on Rt. 178 (traffic light at the Exxon station). Go about 1 mile and turn left at the Phillips Trustworthy Hardware Store (still Rt. 178N) toward Craddockville. Go about four miles (road winds a bit), bear right at Craddockville United Methodist Church and go about 1 mile. Turn left onto Island Neck Road and go to the end. We are the last home on the left - cream with blue-green shutters and lots of daylilies. If you want to find us using GPS, enter 12324 **Island Neck Rd., Painter, VA.** If you are **coming to visit and know some of the plants that you wish to buy, send us your list ahead of time so that we can have them dug for you.** We appreciate your patience. Plants may be ordered for fall but may not be dug while you wait in July – depends upon the weather. Children are welcome! Those under 16 years of age receive a free plant when they visit.

We ship at least a double fan. If you wish to have substitutions of equal or greater value, please include a list of suitable substitutes. We include bonus plants worth approximately 20% of the order for orders under \$100, 40% for those over \$100! Please list suggestions. We offer a collection of 10 varieties (our choice) for \$40. When ordering a collection, please let us know if you prefer a particular range of colors. All plants are freshly dug and individually labeled. Our garden is state inspected and we continue to maintain a preventative spray schedule. Shipping charges are \$14 plus \$1.00 per plant over four plants. The minimum order is \$20. We ship by priority mail (service with UPS is not satisfactory from the Eastern Shore of Virginia). We generally ship on Monday with plants arriving in two to three days. Virginia residents must add 5.3% sales tax. Wholesale prices of selected varieties are available upon request.

Plant information in the catalog is arranged in the following order:
